Superintendent's Message

As students and teachers, we deeply appreciate the constant financial backing that we receive from the Yuma business men and women for the various school enterprises.

Without your keen desire to support better things in the Yuma Public Schools, this annual would not have been a success.

As a group, we "Salute" each of you and hope that all we have undertaken this school year has been well done.

CLASS OFFICERS

President- Russel Richardson
Vice President- Shirley Yost
Secretary- Bette Weeks
Treasurer- Doris Rutledge
Student Council Rep.- - - - - - - - - - - - - - - - - - Rodney Chance

September first, 1948 brings back great memories for our class and probably more for the teachers when they remember that day we fifty one freshmen swooped down upon Yuma Union High School. Two weeks later the upper-classmen caught up with us. The results were that we came back to school looking a little queer. That year we had for our Class Officers: Charlotte Blach, Don Chrismer, Jo Ann Bennett, Mrs. Dazey and Miss Graham were our lucky sponsors.

The next year found us again entering the doors of good ol' Yuma High. We took an active part in the initiation this year. Our class officers for this year were: Gary Howell, Melvin Reeh, and Pat Gard, with Mrs. Gillespie and Miss Roetker as our sponsors.

When the fall of 1949 rolled around we again entered Yuma High this time as Juniors. Of course we Juniors had to be in everything. That year Student Council was started and Gary Howell was elected as Vice President. The Junior play entitled, "That Crazy Smith Family," was the best ever according to our way of thinking. Of course, we had the traditional Prom with the theme being Indian Pow Wow. Our class officers were Roylynn Hoyt, Elva Korf, Lowell Hansen and Don Chrismer. Our sponsors were Mr. Lallo and Miss Bailey.

Now our highly awaited year has arrived. We are now known as the SENIORS. Many of the class members take part in organizations. Presidents are Phyllis Gaines of FHA, Barbara Mekelburg of Pep Club, Doris Rutledge of GAA, Jo Ann Bennett of Student Council, Georgia Ann Hall of the Pow Wow and Roylynn Hoyt of the Annual. Our sponsors are Miss Graham and Mr. Sandstead. We are looking forward to the Senior play, graduation exercises, class night, the prom and of course Sneak Day.

Coach---------Mr. Sandstead

FOOTBALL

The football squad this season numbered some forty odd players of varying degrees of size and quality. They were greeted by head coach Maurice (Sandy) Sandstead and his assistant, Bob Baker after school began. After three weeks of calisthenics, drills, learning plays, working them out, and scrimaging, the football season started. Six conference games were played and there were (intersectional tilts) with Estes Park and St. Francis. They finished the season with a won and lost record of one win and seven losses. The players played to the best of their abilities but their efforts were of no avail. All in all, though, the team learned cooperation, sportsmanship, working together, and had lots of fun during the hours of practice. At the end of the season the equipment was packed and stored for another year.

At the coach's meeting, Nick Shea and Lowell Hansen were given honorable mention on the all-conference team. Although the record doesn't show it, the team has won many inside victories among the players themselves in bettering themselves for later life.

BASKETBALL

The hoop season started soon after football season ended. About twenty hoopsters met coach Sandstead on the basketball court the first night of practice. Due to all the calisthenics and running which were necessary for the sport, some of the boys dropped basketball after the first few night. The team began to take shape after a couple of weeks of practice. The team practiced in guarding, screening, shooting, faking, and passing.

The team has a sixteen game schedule which includes twelve conference and four intersectional tilts. The boys on the team enjoy the long hours of practice together, plus the added thrill of competition with other teams.

BAND

This year the High School band played at all home football and basketball games. At the football games we marched between halves, forming letters and maneuvering.

September 30th we joined fifty-two bands at Boulder Band Day.

We attended competition festival and competed in working and concert work in April. We also sent several solists to the solo contest.

Two concerts have been presented to the local supporters. Also the Band and Choruses sponsored Mitchell Cain, the Magician from which the music department received over $90.

JoAnn Hichman, President; Marlene Degenhart, Vice President; Mildred Geoglein, Secretary - Treasurer. Roylynn Hoyt, Don Ball, Dale Lasater, Librarians, Lowell Hansen, Representative to the Student Council.
